Janet Evanovich CD Collection: Full Bloom, Full Scoop

Synopsis

Full BloomThe temperature’s on a “sizzle” again in Beaumont, South Carolina, where peach trees are in season and ripe for the picking. So is its newest entrepreneur, Annie Fortenberry, who has inherited her grandmother’s B&B (and its eccentric handyman Erdle Thorney). If rumors of a naughty, prank-playing ghost aren’t stressful enough, a mysterious man has arrived with an eye on Annie and her master suite. Wes Bridges is all leather and denim, sporting a two-day beard, straddling a Harley, and sending the B&B’s testosterone level through the roof. Annie’s cool demeanor may be dropping as fast as Wes’s jeans, but leave it to her missing ex-husband to dampen the passion!Full ScoopThere’s a whole lot of trouble going on in Beaumont, South Carolina. According to resident psychic-slash-astrologer, Destiny Moultrie, Mercury’s in retrograde; Venus is in the seventh house, and the combination has turned Cupid wacko! Chaos rules as tempers flare and lust runs rampant. Local pediatrician Maggie Davenport has considerably bigger problems now that her wild-girl past has caught up in the form of an ex-boyfriend and jailbird who just flew the coop—and is determined to track her and her daughter down. Fortunately, FBI agent Zack Madden is on hand for protection; but the new danger is the wild attraction he and Maggie share.

The problem with Evanovich audiobooks are simple -- they end. I am probably one of the biggest Evanovich fans around. I'm eagerly trying to listen to all the audiobooks during my commute to and from work. She is entertaining and even if there are new characters the audios seem to have similar voices and similar themes, but ALWAYS entertaining. To all of you Evanovich fans -- check out the facebook page and the trivia days (I think it is Thursday, but don't quote me on that one, check it out yourself).

The stories are fun. But too breezy and 3 discs each.... I have a longer attention span.

This Evanovich series is light and fun. Not as dark as the Plum series. She keeps the main characters and adds new into the mix, then spins off them into other stories. Great way to enjoy a long drive.

Enjoyed

I love the reader, that's not a secret. But as for the stories, I just couldn't get into Full Scoop. But Full Bloom was good. I found myself laughing and thinking about the "who done it" factor while I was listening.

Audio book is a great Addition to the hand held books. Reader uses different voices for the characters. Really Funny!
