The Courage Of Sarah Noble

Synopsis

In 1707, young Sarah Noble and her father traveled through the wilderness to build a new home for their family. "Keep up your courage, Sarah Noble," her mother had said, but Sarah found that it was not always easy to feel brave inside. The dark woods were full of animals and Indians, too, and Sarah was only eight! The true story of Sarah's journey is inspiring. And as she cares for her father and befriends her Indian neighbors, she learns that to be afraid and to be brave is the greatest courage of all.

Customer Reviews

The New York Times Book Review "This one is to be long remembered for its beautifully written beauty and simplicity."

In 1707, young Sarah Noble and her father traveled through the wilderness to build a new for their family. "Keep up your courage, sarah Noble," her mother had said, but Sarah found that it was not always easy to feel brave inside. The dark woods were full of animals and Indians, too, and Sarah was only eight! The true story of Sarah's journey is inspiring. And as she cares for her father and befriends her Indian neighbors, she learns that to be afraid and to be brave is the greatest courage

of all.

This is a great book. Easy to read and well written. Good for children of all ages. I read the whole book to my granddaughters ages 3 through 10 and all were captivated.

Great story but definitely not for advanced readers. My 9 year old finished it within an hour. I probably should have looked at the page numbers! Regardless, she enjoyed the storyline.

I bought this book as a read aloud for my kids. (6, 4, and 2) They loved it! Even my 2 year old was talking about parts of the book. Great story to help introduce history to young minds.

Excellent written, lovely story. When I first read the synopsis of the story, I was concerned that it would be scary or oddly dated (regarding the father leaving his young daughter to live with an Indian family), but it was written so gently and so well that it never became uncomfortable. Just an interesting snippet of history, winsomely presented. A quick read, 8 chapters I think, but I read it aloud in one sitting.

I read this book many first grade classrooms. It portrayed Indians as friendly and helpful to settlers.

Great and very inspiring. Tells a good story and makes you feel warm inside. I definitely recommend this to read to your children or to just read!

Such a nice story. Purchased for my seven year old Granddaughter and I was happy to give her a wonderful story to read as she is an avid reader!! Great purchase!

How did I go all my life and never read this book? I just got it for my 11 year old daughter. It is a bit young for her, but she loved it anyway. (She loves the Little House on the Prairie Books.) Anyway, this book is so sweetly written. Sarah Noble indeed takes courage many times. Great story, great writing. I will read it aloud to my younger children. They are boys but I think they will like it, too!
