The Cover is worth the price, Inside is just a wonder. All Children should get to own this book before

reading Charles Dickens. I might have enjoyed His Books more after this experience. Wonderful!!

I've purchased several of these and I wish they made more. I'm hoping they will. You can take them with you or enjoy them at home. There's something for everyone and I found new puzzles I hadn't seen before.

Tons of great Dickens games as advertised
