Trains Across America 2018 Calendar

Synopsis

Trains Across America 2018 features 12 curated images from the pages of Trains magazine. Beautifully photographed for visual impact, each image captures a moving train at a scenic location around the country. The calendar includes photo descriptions as well as a 2-page bonus spread featuring an interesting train-related subject. Pages are printed on quality paper stock for durability and framing. Day grids include national holidays and are generously sized for writing notes. About 80% of U.S. households display a printed calendar at home; 90% of which are wall calendars – the same format as Trains Across America 2018. Unlike the hundreds of railroad-themed calendar titles available in the marketplace, only Trains Across America features exquisite photography from the pages of Trains magazine – America's #1 source for modern railroading news and information for the past 75 years!
