Bible Translation In Suriname: An Overview Of Its History, Translators, And Sources

Synopsis

The Republic of Suriname has a long and rich heritage of Bible translation spanning more than 250 years, yet very little has been published on its history. In this book Dr Franklin Jabini, a Surinamer as well as a translator himself, provides the reader with a detailed survey of the history of Bible translation across the many language groups of Suriname. Illustrating the difficult and complicated process of Bible translation, the book furnishes brief biographies of translators, both national and foreign, as well as the denominations and parachurch organizations involved. This book is not just a historical account, but provides important insight into the efforts of reaching all tribes, tongues and nations with God's word.

Book Information

Paperback: 266 pages

Publisher: Langham Monographs (July 31, 2015)

Language: English

ISBN-10: 1783689048

ISBN-13: 978-1783689040

Product Dimensions: 6 x 0.6 x 9 inches

Customer Reviews

Although the book contains much detail of a historical nature, Dr Jabini's knowledge and personal experience of missiology and Bible translation makes the history come alive. He honors those who have gone before and encourages us to learn from the past so we can be more effective laborers in the kingdom of God. He concludes that Bible agencies and churches need to work in closer partnership and ensure that they are meeting the real and felt needs of the people rather than following their own ideologies. Dr Barry Funnell The Word for the World Bible Translators United Kingdom

Franklin Jabini is the Head of the Postgraduate School of the South African Theological Seminary

(SATS). He serves the Evangelical School of Theology in Suriname (EST) and the Caribbean College of the Bible International in Trinidad (CCBI) in different capacities. Since 1988, he has been a full-time worker with the Plymouth Brethren.
