Love

hi recommend this to people who enjoy a good laugh and have fun reading thisit was very interesting and fun to readcyabysesincerely the guy who tries vto be the first reviewer

This is a great book! It has a ton of fun info about how they made the movie and about some of the props and actors! I would definitely get this!

My kids loved this, and then we saw the movie. They loved the movie too and liked that they knew the scenes from the book.

My 8 year old daughter cant get enough of this series. She has read every single one of them is just a couple of weeks!

It is a book with pictures of real life people. you can't find it anywhere else except for device. Awsome.

Arrived on time and as expected.

This is an awesome book.It could use some more photos from the film! But in general, its a good book
