Quite an interesting book dedicated to cooking with a deep fryer. The author gives enough detailed recommendations on the preparation of a dish, which gives you the opportunity to show your culinary skills to people far from the kitchen, like me.

I downloaded this book on my Kindle. Searched through the very confusing Table of a Contents for French Fries and found potato wedges. The third ingredient listed is 1/2 CUP of olive oil. Never read any further. It's an AIR FRYER.
