Let There Be Love (The Sled Dog Series Book 1)

Synopsis

Lauren Dalton has always dreamed of running the great race, but as someone with no experience and no dogs, few are willing to take her seriously as a musher. Desperate for a big break, she agrees to take on the job no one else is willing to do. Shane Ramsey's reputation says all anyone needs to know. He's an amazing racer, but a terrible person. When an injury leaves him unable to work his dogs, he must swallow his pride and accept help for the sake of his team. Will Shane open his home and his heart to the young woman who already shares his greatest love? Will Lauren find her place in helping the cantankerous Shane? Harkening to the great literary traditions of Jane Eyre and Beauty and the Beast, Let There Be Love is a new twist on the most epic of love stories. Don't miss the chance to lose your heart to a courageous team of sled dogs and the humans that love them in this tale set against the breathtaking backdrop of the Alaskan wilderness.
