Customer Reviews

This book is ok, but it DOES NOT include the answer key. It is only a workbook, You need to purchase answer key separately.

Great exercises to repeatedly use the words studied to help retain the knowledge. My granddaughter has already intentionally used some of the words in everyday life. I used Wordly Wise with my own children when I home-schooled them and I am pleased that they still make them.

Awesome!

Increase your child's vocabulary way above grade level. This is a broad systematic approach to becoming a true wordsmith.

THE Best book out there for teaching vocabulary to students. I would highly recommend that you purchase this book. TODAY!

A+

My son's teacher uses these in her classroom, and I think they are so great I got them for my

younger son in a different class. Have looked for others and found nothing that compares.

Just right for my son. He is in 2nd grade.
