Pete The Cat: Pete At The Beach (My First I Can Read)

Synopsis

New York Times' #1 bestselling author and artist James Dean brings readers some fun in the sun! Pete the Cat is one groovy cat at finding shells and building sand castles at the beach. But when it gets too hot, there's only one way to cool off—jump into the ocean! Except Pete might be a scaredy-cat when it comes to the water. PreS-Gr 2-In the first early level reader, Pete tries to have fun building sand castles, eating sandwiches, and searching for shells, but the hot sun makes him sizzle while his brother is out there riding his surfboard, staying nice and cool. Finally, the heat gets to Pete and he decides to try the water. He faces his fear of the big waves and, after a few attempts, is surfing just like Bob. Strong artwork, summer hues, and familiar characters make this a great addition to collections. In *Whale of a Tale*, Splat the Cat goes to the beach for vacation and promises to find the perfect seashell to bring home to his grandpa. As he begins his search, he is pulled in all directions, helping his dad set up the beach umbrella, spelling names in the sand for his sister, and, of course, stopping for fish

and ice cream. Finally, he gets his chance to search for shells but he just can't seem to find the right one until he stumbles into the water and lands on a friendly whale who helps him with his mission. The artwork and perspective are well designed, and whimsical drawings assist new readers with context clues and even inspire a few giggles. Two solid choices for emergent readers.-Melissa Smith, Royal Oak Public Library, MI

It's a hot summer day, and Pete and his mom and brother are going to the beach! Pete loves the beach, but the waves make the water look scary. When his brother Bob offers to give him a surfing lesson, will Pete give it a try?

As always Pete is a great bedtime favorite. All the Pete books are awesome reading for kids and grandkids... Enjoy!!!

Pete The Cat has always been a great series. Now the listner is learning how to read with a familiar friend in the stories.

Great for my little one. Has a lot of their sight words in it and they can use pictures to help them with new words. Highly recommend!

Living in Florida the kids really got a treat from this book, even the one old enough to read it to her little brother.

Bought this book for our niece who has just started reading. She loves it!

Wonderful book! Bought for our child for a beach vacation and we read it at least twice a day. Great story and illustrations too.

Great book for my kindergarten who is into books. Easy to catch words that are repeted.

My son loves the Pete the Cat books. I hadn't seen the series prior to seeing them on , but my sons teacher evidently had read them to his Kindergarten class weekly. Overall I love that we can read these books together, some he can read more than I need to - I love the illustrations and the funny

story lines. Pete the cat is a hit in our home for sure!
