Customer Reviews

Author Peter Mallouk is a romantic. He says good romance has much the same criteria as good real estate, location, location, location. Follow him and his team of photographers as they capture the finer kissing areas of Kansas City. Let them inspire a little romance for you too!

Very disappointing. It's basically a collection of love quotes, black and white photos with a sprinkle of lists of things to do.

I thought I'd seen everything about Kansas city- Kaufman stadium, arrow head, the soccer place, and every bbq place ever- until now. This book has changed every part of my life. If ever I need a special place to create romance this is my one stop shop.

This is one of my favorite books. I provided at least 11 images and the format is really nice. Great job Peter!
