This book is a fabulous explanation of all things that adolescence hands us. As a youth group

leader, I'm thrilled to be able to offer this to parents to use when they have 'the talk' with their kids. James Watkins asked over 1000 kids to ask the tough questions about sex - he did the research and answered them honestly, with no holds barred. Good moral background is given and nothing is ignored or glossed over. I've purchased at least 5 copies in the last month - just to hand out.
