Customer Reviews

Tres bon guide des sentiers de grande liberté! What do you do when you have exchange students in from Paris who are bored from all the snow and want to go into Boston on their own? You have them download this guide and take them to the nearest T station! It turned out to be the perfect companion and I'm sure they learned more about Boston history than they would have with my very weak translation skills. Was surprised to find this type of a guide in French that was Kindle-ready.

What an interesting and helpful guide. Made our trip very enjoyable! A+++
