In the tradition of the popular anthology *No More Homework! Bruce Lansky has edited 18 successful books of humorous poetry for children, which have sold over 3.4 million copies. Lansky's elementary-school admirers have crowned him the "King of Giggle Poetry."

Purchased this for a literacy night event. I'm not going to say it was a bad book but for the age group the pictures were black and white and the poems could have been a little more clever. Other than that it was ok

This is another cute book that contains funny poems about school. It is excellent for use with primary students. My favorites are Dot to Dot and a Sick Day Trick. Absolutely hilarious! Great for starting the morning work and for introducing topics and concepts.

The book came in great condition! I was a little disappointed the pictures were black and white. My students love the poems, a great addition to my classroom library!

Trying not to sound critical, but this collection falls into the pile of kids poetry collections that will not do much to get children interested in poetry for the longer term. Disappointing.

Good condition.

My grandson would rather play any kind of action game than read books, but he does like to read anything funny and this book fit the bill! I'm so glad I ordered it for him - hard to find in the book stores.

Kids & adults will grin from ear to ear as they read these hilarious poems and lymerics! I highly recommend this collection!
