Legal: A First Time Novel

Synopsis

She's way off limits, and I know it. The problem is, I don't give a f*ck if she is. Somehow, that innocent girl next door - that girl I had no business thinking about like that, grew up. And I HAVE to have her. I've never felt this way about anyone, even in my Navy days - obsessed and crazy to the point of madness. It's like something primal; a beast inside of me that roars whenever she's near. She might be my buddy's little girl, and my next door neighbor, and damn near half my age...But she's legal, and I'm going to be her first; I'm going to claim and breed her. I don't care what the consequences are, because I'm going to make her mine if it's the last thing I do. This book contains a hot, dirty, single-minded and over the top alpha hero with a HEA and NO CHEATING! For a limited time, this book also includes TWO FREE additional stories! "Twice Tackled", a steamy mfm sports romance, as well as "Baby, It's Cold", a holiday first time short are included and begin directly after "Legal". Enjoy! **Please note: This is a SECOND EDITION of a previously published book of the same title. This 2nd edition includes minor tweaks and updates to improve new reader enjoyment, however the basic plot has not changed for previous readers.**

This was one super hot story. Chelsea has a crush on her married neighbor, Jake. He just happens to be best friends with her father. He's 39 and she's 19. Once Jake separates from his wife there is no stopping these two. Jake has had his eye on the prize, Chelsea for sometime. Chelsea has been saving herself for Jake to take her virginity. And boy does he. These two sneak around hooking up together under her parents noses. What will happen when Chelsea's parents find out about Jake? Does Jake truly want Chelsea or is she just his plaything? This was a super hot and taboo book that pushes the boundaries in a good way. Did I mention it was extremely hot? It will melt the panties off you. I can't wait to get my hands on more from Madison Faye.

It was a good book. Older man young woman type thing. If you like this type of book it'll be right up your alley.

I love a good older man/younger girl story and this one was pretty hot! There is no cheating even though the H is married in the beginning. The wife cheated on him and left him before anything happens between H and h. There are two extra books w/this purchase. Baby It's Cold and Twice Tackled. Well worth the money!

Great read I highly recommend .Great author she never disappoints . It was a great story and characters. Everything went well together.

He's 39 and she's 19 quick steamy read with lot of heat some drama and a HEA!

Big fan of her work!!! Loved every HOT second of this book!!! This ***SEXY*SIREN*** is very impressed and so turned on!!! Lol...I highly recommend anything with her name on it!!! Happy reading to anyone who loves it as much as I do.

When I got this book I thought it was going to be a novel, but it is being short. Don't get me wrong I love the book, but I was mad that it had another two story's in it. I did love reading Legal. That all I'm going to say

OMG! What a book! I love the naughtiness the sex, the fact that it's taboo! I never heard of this author before and I will definitely read more books from her ! I hope she has more stories like this one!
