Great book with a variety of character building stories. Just perfect for a family read aloud, or for quick snatches of reading before bed. Our family loves all of Joe Wheeler's books that we have read.

This author consistanly has wonderful compilations of heart warming stories!

I already have this book, but bought this one for my sweet aunt for Christmas. She loves to read and

I know she'll enjoy this book. Her health is failing, thus the short stories will fit in well while her periods of strength hold.

will never regret having this collection of focus on the family in my home, I use the stories written for the church study, and telling them to my grandchildren they are priceless. really, you will love them,,,you will see God's hands and God's love in each storythank you , and God bless you

Another great gift for another grandson, in the same family. Fine editor. Stories present opportunities to clarify their own values, to learn from others, and to appreciate fine literature. I am so glad this work was still available.

Quick delivery. Book in excellent shape. Every child should read this book. Joe Wheeler stories are so well put together!

These stories are good and solid and could inspire folks for the good. Good reading for pre-teen and teen aged children

very satisfied
