Really love Norman Lloyd so buying this was the best!

THIS IS ONE OF THE BEST BOOKS I HAVE READ ON THE THEATRE. DONT MISS IT IF YOU WANT TO READ ALL THESE WONDERFUL TRUE TALES.

Interesting and fast delivery.

an amazing life that he should update since living to be 100 years old.

A rare look into the life of a fine actor.

Lloyd did not tell of any interesting stories of the stars he knew. No interesting "gossip."

Norman Lloyd is an incredibly talented man who has led a multi-faceted life in "the biz." This book is a "must read" for anyone who wants to know the full story of Hollywood in the "Hitchcock years." Norman started out as a young actor and then went on to doing much more. However, you must look at some of his film appearances to realize how it all started. He is terrific as an actor! I met him at 95 and he had amazing vitality for someone who used to play tennis with Charlie Chaplin! May he have many more productive years!

What a treasure Norman Lloyd is! And what a delightful raconteur. If you love movies and theatre, Mr. Lloyd will lead you through an amazing odyssey that continues still in his 101st year.
