Fatally Bound - A Serial Killer Thriller (Mac McRyan Mystery Series Book)

Synopsis

THE CRIME SERIES WITH OVER 1.5 MILLION DOWNLOADS and 20,000+ REVIEWS New York Times & USA Today Bestselling Mystery Series** New release - NEXT GIRL ON THE LIST - a serial killer thriller **FATALLY BOUND... by one mystery with deadly results. A suspenseful and nerve-fraying psychological killer thriller with an ingenious plot. New York Times and USA Today bestselling author, Roger Stelljes has crafted another addictive pulse-pounding mystery filled with his trademark twists and turns. Vince Flynn described Roger Stelljes as "A powerful new thriller voice." FATALLY BOUND... by one decision with deadly consequences. Hannah opened the backdoor of her house and walked inside, closing the door behind her and locking it. Out of the dark his massive left arm wrapped around her chest like a vice followed by his right hand pressing a soaked rag to her face. Gasping for air she breathed in the fumes from the rag. She convulsed and thrashed but the man was immense and she couldn't break free. FATALLY BOUND... by one killer with deadly intentions. A brilliant, methodical and vicious killer is on a mission leaving a trail of women's bodies behind with little or no evidence. The hunt for the killer will put Mac McRyan and Dara Wire in harm's way testing their partnership, resolve and endurance like never before. What people are saying about books in the McRyan Mystery Series: "Wow!! Just wow! This has to be the best McRyan book I've read. I really enjoyed the twist and turns this book had to offer. "This book takes the reader on one wild ride, with the suspense not letting up until the very end. Mac is one part Lucas Davenport and one part Mitch Rapp - and it just does not get any better than that! "Sex, power, money, and murder keep you wanting to keep reading until you finish it and then wishing there were still more to read! Great story with all the elements of a fantastic read. "Two thumbs up, way up for this one! "Five stars and then some. "Couldn't put it down! Everything else I had to do just sat until I finished this book. Compelling, thrilling, good tale, all ends wrapped up, with a

thoughtful ending. “Roger Stelljes is exceptional. His plots twist, turn and keep you glued to the book. Minnesota has produced two mystery writers of extreme talent, Vince Flynn and Roger Stelljes. Keep ’em coming Roger! “Another Mac McRyan excellent read!!! I wish Mr. Stelljes could write faster because I love his books and can’t wait till the next one. He never disappoints. “A thriller that drew me right in. A well written story - and you just have to like Mac!! I’ll read more of Mr. Stelljes books. Loved this one!!!

Customer Reviews

I have enjoyed the first books of MacMcRyan tales, this one not so much. First, it needed several rounds of editing both for grammar, spelling and sadly narrative. There were several pages of dialogue that did nothing to move the story forward. It was as if the author got lost in his own words and couldn’t hit the delete key. As all the other books, this one has several jump the shark leaps for the main character, even having him lead an FBI investigation even though he is not a highly experienced city detective. The story line is compelling and that’s why I gav it 3 stars.

I listened to the Audible version of this book. "Fatally Bound" was a good listen. It was somewhat frightening at times when the sicko had Hannah. This is the first book in the series that I've listened to but I think it was fine as a stand alone. There was a lot of story here as well as a lot of little details. That's what I liked about the author, Roger Stelljes' work. It was an overall decent story. Johnny Peppers narration was good as the men characters but his woman's voices need some work. I can imagine it's probably difficult to pull off. Otherwise, I think he kept them all with distinct personas which is what really matters. He did a nice job. I was provided this audiobook at no charge by the author, publisher and/or narrator in exchange for an unbiased review via Audiobook Boom

Great writing !! Builds up the suspense gradually to an emotional high and a thrilling conclusion. Stelljes devises plots with every day occurrences from our lives and logically and realistically solves them. "Mac" is the archetypical hero. The best book in an excellent series!!!

Wow! Roger writes mysteries with passion! His characters are extremely well-developed. McRyan is solid, intelligent, and quick, and is a wonderful character to follow through these novels. His plots are fine-tuned and just twisty enough to keep you on the edge of your seat. I keep them on my Windows smart-phone and read the Kindle version whenever I have a few extra minutes. And I never lose track of where I left off, because the book is so intense, you cannot forget where you put it down; not for a minute, an hour, or a day. This one is just off-kilter enough to keep you guessing a while and then, even when Stelljes makes it clear who the bad guy is, you still wonder how it will end up. I'm working my way through all of the McRyan novels and have yet to be disappointed; not even a little bit. Enjoy!

Good story, but felt like writing was just to fill pages. Paragraphs were spent going into great detail of the attire of characters that had no connections to the story other than to add word count or great details about where a key was hanging on a board to a inconsequential stolen car. Towards the end, the editing became worse. Will be my last book from this author a real disappointment.

I just love his books! Whether it's the characters (and he puts new ones in there constantly..) or just his plots. Their not your run of the mill stories that put you to sleep halfway through the book. This man has talent and he's just beginning to show it. NEXT BOOK PLEASE

Its always best when two think alike. Its better for backup and strength. Mac and Wire have a two-fold mystery to solve now and its a gem. Bodies that are mutilated are turning up everywhere and when Mac and Wire put it togerher, the stuff hits the fan from a hit and run fron seven years ago, suspects and a supposedly dead cop. Go figure. Riveting. On the edge of your seat. And determined.

Thoroughly enjoyed this book. It was suspenseful ,emotional and humorous all at the same time..just when you think you knew all there was to know about Mac, Stelljes adds more layers to his character!! It's a must read!
