# Customer Reviews

I purchased this road map as 'used'. I was very impressed that it was in great shape and for a good price. This was purchased as a gift for a young lady that moved into the Louisville, KY area. I have traveled extensively so a great city map (when needed) or any Rand McNally map I have purchased, has been a wonderful investment. Most people use GPS's but many times a map is better when there are intricate areas not shown on the GPS systems. A map is always a good investment but make sure your map is up to date.
