we the grandparents, parents, and siblings enjoyed laughing and groaning in some cases at all of these good, clean puns. Great for lifting your spirits!

This is the perfect book for 7 year old humor. The belly laughs and riddles lets him entertain whenever he want to impress also! The only con I have is that the speaker is a bit redundant in that if you are going to laugh at a riddle or joke, one doesn't need artificial laugh to go along. Overall it is a good quality and will live through years of reading.

It was a big hit with my grandson.

I received a email stating book was delivered 7 days ago. It arrived today. Not good! The book itself is wonderful and exactly what was advertised!!

Bought this for my seven year old grandson....he loves finding new jokes and riddles to entertain our family....great buy!!!

The kids favorite thing are these jokes books. The can't get enough of them and it makes them want to read

Was given as a gift.He was thrilled.

This was a gift.
