I purchased this booklet for my Mother as she re-discovers the Rosary. Clear, concise, yet simply written, it is a wonderful guide to the Prayers of the Holy Rosary. Fits in to a handbag for easy travel, I like that.

I love this rosary booklet, this is my second copy as I had misplaced my last one. I love the illustrations that match each mystery and it small enough to slip in my purse to take on the go!Shipping was super fast as I only waited two days with standard shipping.

Not 25 pack though but good price for one still.

What's not to like... I had this before and keep it in my purse for lunch time or when traveling prayers.

As a new Catholic I love how easy this book is to use. Now I can pray the rosary alone.

This is a classically beautiful presentation of the mysteries of the rosary.

I used this book all throughout my childhood to pray the Rosary and loved the reflection for each decade and short captions, which I still have memorized today. Adding the luminous mysteries some yrs ago kind of threw me off so I bought this updated version as an adult as I thought it would be in the same format/style. I suppose it is, but the luminous mysteries that were added are very awkwardly worded and you can definitely tell is different from the other 3 mysteries. It is also way wordier, like double the number of lines without saying any more information. Seller was great and even included a lovely bookmark. Review is for the updated luminous mystery portion, which I thought was a bit disappointing.

It's a great little group I already have a copy it was starting to get torn and some of the pages were fading. I kept some and gave some away. Good devotion.
