Customer Reviews

Very helpful, love it.

A lot to learn, but helped me greatly.

Well written with excellent quizzes to cover content. A pleasure to read.

All of Audrey Grant teaching books on Bridge are easy to follow. Written to be easily understood. I recommend all of her books

Very well written guide to thinking about and communicating information in a competitive auction. I like the organization of the book....but more conventions need to be included...so maybe in the next book.

Expanded my game And game knowledge

Written in easy to understand style and has plenty of "testing" samples. This is a fun game to learn at an older age. Need to keep the old brain cells working.

Very easy to understand and makes bidding much more sensible
