Special 15 Book Box Set: Regency Romance

Synopsis

Massive Mega 15 Book Box Set. Regency Romance. 15 exciting romantic stories of dukes, earles and other aristocracy titles. Romantic, compelling and appealing reads of Regency nobility trying to find love with ladies of all classes of society. Their adventures spin heart-warming tales. Kitty St John is a lovely newcomer to Regency Romance stories. She gives a very interesting story that tugs at your very heart strings! "I enjoy Kitty St John's writing style. The story moved along in a good pace and I did not feel the need to take breaks along the way. I found that while she wrote a story, it did make me think, what would I do? I could see both characters point of view and yet the author didn't beleaguer the point. When I finished reading this book, I felt I wanted, no needed to read more of her style books. Nothing is worse than those authors who, go over and over a point to the point of making one want to throw the book/kindle at a wall. You won't find that in this book at all. Thanks for a quick read Kitty." This Box Set Includes: Her Baron, Bold and Brave, The Duke's Discovery, The Duke's Favourite, The Refined Earl, The Honourable Duke, The Duke's Fifth Governess, The Poetic Marquess, The Hidden Duke, The Duke's Good Fortune, The Erin Duke, The Earl Incognito, The Starry Eyed Earl, The Bemused Earl, The Earl's Daughter, The Admirable Viscount.

Customer Reviews

A nice set of Regency stories. If you like clean stories you will like these. Even though they are shorter than a full book they are long enough to tell the story. I like Kitty St. John's books and will be reading more of her work in the future.

Wonderful stories! I enjoyed reading each and every one.
