Let's Take A Walk Through The Orthodox Church

Synopsis

When we come to worship in the Orthodox Church, we are surrounded by a variety of objects that conspire to keep our attention focused on the worship of God. Icons, architecture, candles, incense, votive lights, chandeliers, vestments-all speak to us in their own way to tell us something about our faith. This book takes a child on a tour through an Orthodox Church, clearly and simply explaining in forty-five brief chapters the meaning of the many objects seen in most Orthodox Churches. Each explanation is enhanced with an original four-color painting. Written primarily for children in grades 3 through 6. Excellent for use by parents at home, by Sunday School teachers, and priests.

I have enjoyed reading through this book to help introduce the Orthodox church to my young children. Its a great way for them to learn what each item (candles, icons, altar servers, incense, etc.) is for or does in the church. However, the pictures are pretty bad. I would rather have had actual photographs of most of these pictures, because some are so bad (and because our church is

in a borrowed space) I can't tell where it actually is in the church

Amazing book - shipped on time and would recommend to anyone interested in the Orthodox faith with kids. Book says grades 3-6 but I think any age will appreciate it!
