Bar Exam Basics: A Roadmap For Bar Exam Success

Synopsis

Bar Exam Basics: A Roadmap for Bar Exam Success is a collection of concrete, practical advice to help you pass the bar exam. It's your guide for navigating the path from a law school graduate to a bar exam passer. The audiobook begins by giving you ways to organize and take control of your life so it's not taken over by bar exam preparation and its related stressors. Next, you'll learn how to study for and pass the various parts of the bar exam: essays, MBE, and performance tests. Finally, the book provides guidance on how to make the most of your last few weeks of bar exam studies and how to approach the bar exam test days themselves. Bar Exam Basics is designed to be heard in one or two sittings so you can quickly determine what actions you need to take to ensure you pass the exam.

THIS is the book I wish I would've read before taking the bar exam...and arguably, my 1L year. Over the years, I've taken a few bar exams and attended a few bar prep courses (e.g. BARBRI). Yet, I STILL took away solid advice and strategies from Matt Racine's "Bar Exam Basics" and "How To Write Bar Exam Essays." Here's why they're both worth buying: 1. After graduating from law school, you'll likely panic after realizing you have to shove 3 years worth of law into your brain (much of which you've either: 1) never learned; or 2) forgotten since your 1L year). 2. Racine's book lends a

helpful and comforting hand by outlining a game plan for getting mentally & physically prepared for taking the bar exam.³ Bar prep materials merely give you a list of scheduled topics, but not HOW to study, develop your own schedule, and formulate a routine. Furthermore, Racine tells you WHY it's important.⁴ It's a quick and easy read (115 pages).⁵ It's like \$10. Thus, literally being the cheapest book (and investment) you'll ever make in your bar exam preparation.

For the affordable price, has a fine sharpness and durability to it! good . delivery on time receive it next day . fine. my students like it ,
