# Bones Are White: The Color Series: A Collection Of Scott Sigler Short Stories

## Synopsis

A collection of nine horror stories created by New York Times best-selling novelist Scott Sigler. This audiobook brings you more of Scott's thought-provoking short stories from his five years of weekly storytelling, as well as a brand-new "Hunter Hunterson & Sons" story and a brand-new "Kissyman" tale. Stories in *Bones are White* include: "Passenger", "Bag Man", "Chuckles Mulrooney, Attorney for the Damned", "Hero", "Eusocial Networking", "Beam Up on Aisle Five", "Kissyman & the Last Song", "Hunter Hunterson & Sons: Home", and "Hunter Hunterson & Sons: The \$15 Burger".

## Book Information

Audible Audio Edition

Best Sellers Rank: #85 in Books > Audible Audiobooks > Science Fiction > Anthologies & Short Stories #824 in Books > Science Fiction & Fantasy > Science Fiction > Anthologies #5552 in Books > Literature & Fiction > Short Stories & Anthologies > Short Stories

## Customer Reviews

Full disclosure here: I knew I was going to pick up *Bones Are White* regardless of what stories were in it because I am a self admitted Scott Sigler junkie. What sealed the deal though was one of the stories created this year exclusively for inclusion in this collection, and that's "Beam Up on Aisle Five," created based on an episode of the "NSFW podcast." When Scott came back on the show to read excerpts from the bizarre creation hosts Brian Brushwood and Justin Robert Young helped inspire him to write, I was sold. Hilarity and a rather awesome story follows. "Beam Up on Aisle Five," is alone enough to pick up this collection, but it's not the only gem within. "Chuckles Mulrooney: Attorney for the Damned," is a great deal with the devil story with one of the funniest twists I've seen on the style. "Passenger," "Hero," and "Eusocial Networking," are great hard sci-fi stories, and except for "Hero," the other stories along with "Bag Man" bring in a shot of delicious horror that aid to Scott's backlog. To finish up this great collection you get two pieces of fiction set in the side pocket Sigler-verse of Hunter Hunterson & Sons. These are a continuation of the Hunter

Hunterson & Sons story originally started in Blood Is Red. The second piece in the set, "Hunter Hunterson & Sons: The \$15 Burger" is a stage play originally performed at the 2011 Sigler Fest, and an audio version of the performance can be heard over on Scott's site. I recommend the collection to someone new to Sigler and his works. It gives a great overview of his different styles, themes, and characters he creates. I'd also recommend the collection to anyone familiar with his work just because, well, another shot of Sigler keeps a junkie happy.

I sometimes have trouble "getting into" a new book after completion of another. However, not Scott Sigler's books! The characters come to life with his no-nonsense, down to earth writing style. They are genuine and likable people--but I think the best part about Sigler's stories is that they seem to "get to the good part" almost immediately. Character building can be tedious and slow the pace of what would've been an otherwise great read. Not with Sigler's books though...he hooks you right away and keeps you coming back until you've either finished that particular book, OR completed the entire collection of books he has written. I fall into the latter of the group. I can't WAIT until his next book comes out... which I believe is only a few months away. I highly recommend Scott Sigler's books if you are searching for a new author...he will not disappoint!!

I found this book on iTunes podcast and then bought the kindle version for class project in creative writing. It's an awesome horror short stories book and a great read as well as the podcast. I love Scott Sigler writings. However if you don't like gore or horror don't read this. It's not for the light stomach or the easily offended. I relate to Scott's stories as I am also from Michigan and his stories bring back memories for me from the Alpena area.

Such a great author.

I've never read anything by Scott Sigler that I didn't enjoy. This collection of short stories has hard science, horror, supernatural, humor galore, and more. "Chuckles Mulrooney, Attorney for the Damned" and "Hunter Hunterson & Sons: Home" alone are worth the price of admission. As a sample of Scott Sigler's style, you can't go wrong with either "Bones Are White" or "Blood Is Red." I'd be surprised if a taste of his short fiction doesn't make you want to read his full-length works.

Once again Scott Sigler has delivered a shotgun blast of his unique blend of horror and sci-fi with a generous squeeze of humour. Sigler even goes behind the scenes telling of the inspiration and

circumstances of each story. His podcast (found at [...]) has all of his stories, read by the author, for free if you find yourself wanting more.

Enjoyable and not too time consuming , hope hunter HUNTERSON and sons turns into a series .  
Keep up the good work Scott Sigler

Great Sigler. As with previous Sigler I've read, the reading is light and the stories are enjoyable. I highly recommend and have suggest this book to several friends. Never read Sigler? Give him a try. Good pacing, unique stories and overall good writer. The reading is light (whereas Crichton would be a "medium" read) and the stories are interesting and unique.
