Customer Reviews

my 20 month old daughter loves this book. it is one of her favorite books. I wish it had more pages and less chunkier pages, but it is an excellent book!

Fun to read to my babies.

Highly recommend

This book literally has 4 pages, each of them with a few basic words. The cut out hole in the bottom is never incorporated into a story of any kind - it's just sort of there. What you see in the picture - pig, chick, horse - that's all there is. The horse is also the back cover of the book. Really lame and

disappointing, even by board book standards.

My grandson loves cows! He is 1 1/2 yrs. Old and loves books!!

perfect
