Valuing A Business, 5th Edition: The Analysis And Appraisal Of Closely Held Companies (McGraw-Hill Library Of Investment And Finance)

Synopsis

Capitalize on All the Latest Legal, Financial, and Compliance Information Needed to Analyze and Appraise Any Business For over 25 years, *Valuing a Business* has provided professionals and students with expert business valuation information, offering clear, concise coverage of valuation principles and methods. Over the decades, the book's unsurpassed explanations of all valuation issues have made it the definitive text in the field, against which every other business valuation book is measured. Now updated with new legal, financial, and compliance material, the Fifth Edition of *Valuing a Business* presents detailed answers to virtually all valuation questions_ranging from executive compensation and lost profits analysis_ to ESOP issues and valuation discounts. Written by Shannon Pratt, one of the world's leading authorities on business valuation, this updated classic offers a complete _one-stop_ compendium of information on the full range of valuation concepts and methods. *Valuing a Business* contains step-by-step discussions and analyses of:

- Business Valuation Standards and Credentials
- Defining the Assignment
- Business Valuation Theory and Principles
- Gathering Company Data
- Site Visits and Interviews
- Researching Economic and Industry Information
- Analyzing Financial Statements
- Financial Statement Ratio Analysis
- Income, Market, and Asset-Based Approaches to Valuation
- The Capitalized Excess Earnings Method
- Premiums and Discounts
- Writing and Reviewing Business Valuation Reports
- Valuing Debt Securities, Preferred Stock, Stock Options, and S Corporation Stock
- Valuations for Estate and Gift Tax Purposes
- Buy-Sell Agreements
- Valuations for Income Tax Purposes
- Valuation with Employee Stock Ownership Plans
- Valuations for Ad Valorem Taxation
- Dissenting Stockholder and Minority Oppression Actions
- Valuations for Marital Dissolution Purposes
- Litigation Support Services
- Expert Testimony
- Arbitration and Mediation

This landmark reference also presents a wealth of recent court cases for each valuation area, which together provide a comprehensive overview of all the legal rulings and trends in the field of business valuation.

He is also one the founders of Willamette Management Assoicates and was a managing director of Willamette for almost 35 years.

This core text is often difficult to find at the brick-mortar stores, but a snap to get through . Any accounting library without this resource falls short.

Well written textbook. Certainly not "airport" reading.

This is the Bible of Business Valuation

Everyone needs at least Pratt book in their forensic accounting and BV library. If you have one, this might be a partial repeat (Shannon repeats lots in each book) but it is always good for reference in a report.

Gives a strong account of how a Closely Held Co. should be valued and the various methods, as

well as applicable laws.

I was shocked at the complexity of the subject, but more so at how well the author handled that complexity. She presented an amazing amount of information in an easily digestible format. There was also a fair amount of information on related subjects as well. I would highly recommend this book to anyone looking to improve their knowledge on this subject.

Excellent

Voluminous.. A must if your serious about valuation..
