## **Customer Reviews**

This book is unbelievably cute! When I received it I anticipated just a picture book with different ways to style your nails. Boy was I surprised. This book comes with full on nail tutorials. It nicely depicts step by step the best way to achieve the Hello Kitty face and bow. I've tried so hard to master the Hello Kitty look but I was never able to master that look. Now it seems like it'll be a cinch! Not only will you be able to style your nails with only Hello Kitty but also all of her Sanrio friends.

This book is super cute, has a really nice substantial feel to it, gorgeous pictures, and she depicts so

many of HK's friends! The nail stickers are adorable, too. The designs are not too difficult to pull off. Love it!

I can't wait to try these Hello Kitty designs! The designs require a few tools, a steady hand, & several color options. If you are already a nail pro, this is a must to add to your design arsenal. For everyday lay people, such as myself, I will have to start with the simpler designs & work my way up.

This book brought a huge smile to my Hello Kitty loving granddaughter. Now she's requesting nail art tools so she can do her own Hello Kitty nail art! Very pleased with my purchase and this vendor.

Purchased as a gift and they seemed to like it. Really cute ideas for nails. Good for people who are particularly Hello Kitty lovers.

Such a cute book and. A bonus of nail stickers too. I love this book. Would definitely recommend to any age.

Wonderful book and easy to understand.

Beautiful book!
