## Customer Reviews

Kaui Philpotts is a freelance writer and former food editor of the Honolulu Advertiser. She has written the narrative for Maui Cooks and Maui Cooks Again. She now writes a column on island foods for The Maui News.

I bought this book while on a fabulous vacation to Maui, Hawaii. This book is a great souvenir of that trip to the island and the wonderful culinary celebration that I experienced there. Some people do not enjoy fusion cuisine or the cuisine that is outside of the regular mainstream cannon of the culinary world. However, I think that this book is a fantastic show of the creative, fresh spirit that I found in Hawaii. It is perhaps a spirit that I think has been lost in much of America, if not the world. Indeed, with its collection of chefs throughout the state, the book shows how worldly, yet still local, Hawaii's cuisine can truly be. Not only that, it can be both traditional and/ or modern. Indeed, there is a philosophy and there is a passion and tradition... they are creating great food in Hawaii, as beautiful as the islands themselves. This is a celebration of the Hawaii spirit.

After going through the book my wife has yet to prepare one of the recipes. Nothing really caught her attention. But obviously this is very much a matter of personal taste.
