i did not buy this book to read. my wife and i bought this to use it to pray for our two boys on regular basis. this has fundamentally change our relationship and God has used it to change me too from

the inside out.

I began this book in covenant agreement with my two sisters to pray with intention over every aspect of my niece's life. Ms. O' Martian provides wonderful and comprehensive guidelines in that endeavor, so much so that I found myself praying the same for the adults in my family and for myself! I thank God for His gifts through Stormie O' Martian and the encouragement of her wonderful books.

i purchased the power of a praying parent (longer version) bc we used it as a text for our mother's prayer meetings. it is an amazing resource--very detailed prayers and full of bible verses. but i really like this version of the book bc it is a page per day and there is a section for notes. i write down the dates i pray for my children. i am thinking of purchasing a couple more of these books for my mom friends. and even thinking of buying another one so i could personalize each book for each of my children... (it gets tiresome to keep praying for "him/her" and i would love to insert their name in the prayers) i love the way stormie doesn't miss a thing-- her prayers are so thorough and specific and cover every area of life. the only thing is, i wish they had a hardcover version. this book is going to get a lot of use over the years...

I was thinking this was the full version of Stormie's book, so I was disappointed, but that was my fault for not reading the information carefully. As far as getting it in the mail the company was great. It got here quickly. No problems at all. the product was exactly what they said it would be.

I love reading this book as a devotional. I read one or two prayers a day. The book opens my mind to the many different areas I need to pray for my son.

I learned a lot in this book and I never thought about praying for my daughter in ways that she offers in this book. Prayer for to be safe, prayers for kids to know God and the Saints. A lot of great prayers. Also helped me to let go and let God.

This book, and Power of a Praying Wife, are life changing. The prayers are short prayers that incorporate God's word. Praying Bible verses for my kids, the best thing a parent can do.

After reading Omartian's book, The Power of a Praying Parent, I wanted this little booklet of prayers.

It is great to have to pray through one each day.
