Clay Modeling With Pooh With Other And Clay (Learn And Grow)

Synopsis

Book by Laura Torres

Book Information

Age Range: 3 and up

Series: Learn and Grow

Hardcover: 24 pages

Publisher: Disney Press (August 1999)

Language: English

ISBN-10: 0786832231

ISBN-13: 978-0786832231

Product Dimensions: 12.1 x 10.2 x 1.3 inches

Shipping Weight: 1.6 pounds

Average Customer Review: 3.9 out of 5 stars 2 customer reviews

Best Sellers Rank: #5,821,650 in Books (See Top 100 in Books) #48 in [Books > Children's Books > Activities, Crafts & Games > Crafts & Hobbies > Clay Crafts](#) #204 in [Books > Children's Books > Activities, Crafts & Games > Crafts & Hobbies > Models](#) #870 in [Books > Children's Books > Arts, Music & Photography > Art > Sculpture](#)

Customer Reviews

Book by Laura Torres

ISBN 0786832231 - The title is really a very poor choice. There had to be at least a handful of options that wouldn't have made it sound like modeling with pooh, rather than modeling with Pooh. Winnie the Pooh and his friends have been a favorite for generations and playing with clay, which is included, is right up there, too. Pooh and Piglet are playing with clay and showing the reader how to make various things with it. First, the colors you can create by mixing two colors together are shown. Then the fun starts as Pooh makes clay models of his friends, a honey pot and more. Included with the book, you'll get some clay and cookie cutter-like mold of Pooh. If you get a used copy, it's not complete without those! Author Laura Torres does a decent job of explaining, step by step, how to make the models that Pooh makes in the illustrations by Frances Rigol. Rigol's works are flawless Pooh and Friends. The book is most appropriate for use by older kids, who can read and follow the directions without too much assistance (or the desire to try eating the clay). The clay, they say in the book, will not harden. I find this very unlikely, but have no intention of keeping it

long enough to find out. They follow up this claim with a suggestion that you keep it in an airtight container.- AnnaLovesBooks

This book is highly recommended. I think President Bush read it, shortly after he finished "The Hungry Goat" I think he was reading it during Katrina... very engrossing stuff!!!
