The Book Of Griswold & Wagner: Favorite Piqua, Sidney Hollow Ware, Wapak : With Price Guide (Schiffer Book For Collectors)

Synopsis

Cast iron cookware has been necessary equipment for a well-stocked kitchen since it first became available through mass-production in the 19th century. These solid reminders of a bygone era-cornstick pans, griddles, Dutch ovens, gem pans, and teapots-can be displayed proudly and used everyday. With over 900 photographs documenting variations of shape, size, dates, moldings, finishes, hardware types, catalog numbers and markings, this book is much more than an encyclopedia : it is the definitive reference. This book contains comprehensive histories of the manufacturers Griswold, Wagner, Sidney Hollow Ware, Favorite, and Wapak, as well as patent lists for meticulous researchers.

Customer Reviews

This is a good resource book, just wish it had a laminated cheat sheet to carry around of all the logo's with the dates.I can't keep all the info in my head! I found a salesman sample waffle iron the other day, but thanks to my book I knew it was a remake they did in 1990 or so, but since it was priced at \$250 I wouldn't have bought it anyway! But good book glad I bought it!Thanks!

Book was in great condition as described.

Good book

Very helpful books when dealing with cast iron

This is a very through cast iron book with photos, condition grade and prices.

All the information one would need

My son loves the book he collects old cast iron, and several other items. I have ordered several books from to help with his collecting

ANOTHER GOOD BOOK TO HAVE, VERY GOOD INFORMATION
