The Good Book: 40 Chapters That Reveal The Bible's Biggest Ideas

Synopsis

The Good Book™ offers a user-friendly guide to the Bible's biggest ideas. A chapter from the Bible accompanies each chapter of the book, which helps readers understand the context and content of the Scripture passages in a way that can open the whole Bible. Designed as a forty-day journey through forty key chapters of the Bible, The Good Book™ will appeal to those who already love and read the Bible regularly as well as to those who are just beginning their Christian journey. The Good Book is a great evangelism tool for explaining the major themes of Scripture to those who want to know more about God, Jesus, and the core beliefs of Christianity; gives new believers an overview of the Bible and lays a framework to help them understand Scripture passages; helps longtime Christians rediscover the basic themes of Scripture and experience these truths in a new way; and encourages Scriptural literacy as it pushes readers to read both one chapter of the book and one chapter of the Bible each day for forty days. The Good Book™ is great for individuals, and it can also be used by small groups in an eight-week church-wide program or a forty-week journey that focuses on one Bible chapter each week. The Good Book™ will help people understand and live by the transformative truths of the Bible.

Great book with a great breakdown of everything the Bible is about - it all points to Jesus!

"Awesome " this book explains a lot about the Bible. Still reading it & loving every minute of it.

I have only got about 40% thru, but haven't been disappointed a minute. I don't think you will either.

This was a companion book for a series that was used in a group at my church. Excellent!!!

I think this book is good for the novice bible reader. Good ideas, simple ideas, but things to think about.

A great way to learn about the Bible. Very well written in a nutshell without losing the message.

Loved it. quick reference

One of the best Bible studies I have ever done.
