Alice Gray is an inspirational conference speaker and the creator and compiler of the bestselling Stories for the Heart book series, with over 5 million in print. She and her husband, Al, live in Arizona.

This is by far the best book of stories written with teens in mind. I've been a youth leader for the past 11 years and I use this book often. In fact, this past weekend I loaned it to an 18 year old high school senior to use for our lock-in worship. He said he started reading the stories and couldn't stop! He said he was going to get a copy (but I shouldn't tell anyone.) I told him to keep my copy and he did. Buy one for you and one to share. You will not be disappointed!!

Christmas gift for my teenage granddaughter.

I enjoy this writer so I got this book for my son. I don't know if he read it yet, I am in Afghanistan.

Ok

I read this book and loved it it was very touching some of the stories about some things that happened to the teenagers in this book and how they learned valuable lessons. Its as good as the Chicken Soup For the Teenage Soul Books.

I definitely liked this book! When I first bought it I was expecting something Chicken Soup-like, which was true; but I think I actually enjoyed it more than most of the Chicken Soup books I read, even the ones for the Teenage Soul. I noticed that some of the stories in this book were already in more than one Chicken Soup book I've read. I enjoyed almost all the other stories though, they were well written and I think they were good choices to put in the book. I really felt like I could relate to some of them and they truly touched me. Teens who like Chicken Soup will like this one too.

My daughter enjoyed the book. Great inspirational stories. Lacked in deep spiritual yet liked it for a quick read and gave her encouragement.

This book was an inspiration to me. I am going through a lot of hard times right now and this book has helped me see that my problems aren't as bad as I thought they were. One of my favorite stories would have to be "Miracle at the Mall" on page 314. There's always a different way God lets people know he cares and loves us. I look forward to future books by Alice Gray. Also, I would like to thank the people who allowed their stories to be published.
