Selected Duets For Trombone Or Baritone: Volume 1 - Easy To Medium (Rubank Educational Library)

Synopsis

(Ensemble Collection). This classic series of duets for like instruments is recognizable to nearly everyone who has ever studied an instrument. The wealth of material supplements musical development and provides a rich experience for growing musicians. Duet playing is often a student's first form of ensemble experience - technique, tone quality, intonation and balance are introduced as students do one of the things they enjoy most - making music with a friend. And duet playing leads easily and naturally to competent performance in larger ensembles. (Vol. 1 Easy to Medium, Vol. 2 Medium to Advanced)

Customer Reviews

There is actually a problem in that this book is printed in treble clef, which is not how trombone music should be scored. My son's teacher (who recommended the book) just recently opened it and saw this, but it is now too late for me to return it. I don't know if I just got a bad copy, but I'm out the cost of the book and not happy.

We agree with the other reviewers who also received an incorrect book. The first couple pages are correct but the main bulk of the book is not written for trombone. The wrong pages were stapled into the book. Disappointing and frustrating. Lost time at lessons dealing with it.

My bass guitar teacher recommended this, and I have been working through both parts of the duets. It's good practice as I learn them to plug into the recording interface on my computer and record both parts.

All but six pages were the wrong book- clearly been made wrongly and the entire middle section was some violin duets. Something has gone wrong at the print works.

Good Transaction, Good Book!

Great for beginners, and also great for more experienced players to work on intonation.

Great book. The chorales in the beginning are a little drab, but it gets better from there. Reasonable ranges and technique demands for the beginning level.

We have started in the "medium" difficulty section of the book and these exercises are exactly what I need at this point. It is really helpful to be able to play duets with my teacher.
