Excellent tabs for clawhammer playing. The tabs are easy to read in large print. Not a beginners book but an excellent one when you are able to play after learning in a beginners book. The book

contains tabs in G, double C and G modal(sawmill) tuning.

A wonderful collection of tunes from another era. Thoughtful, easy-to-play sing-along arrangements with nicely written breaks. Grab your banjo and head out to the porch!

A great addition to my banjo tunes!

Mr. Miles has provided a wonderful collection of tunes with great tabs. Can't recommend it highly enough.

Great variety of music with easy to follow chording and words.

Its a good book. Its pretty easy to understand. Not super technical or hard to figure out like some books. But overall i would recommend it you want to get into traditional 5 string.
