Pirate Treasure (Treasure Hunters)

Synopsis

‘Pirate Treasure’ examines the hunt for treasures lost or hidden by pirates, and examines whether any of the legends of buried treasure could really be true. Part of the Treasure Hunters series, ‘Pirate Treasure’ offers a crosscurricular mix of science & technology and history & civilizations, with a fun, dramatic approach. Pirate treasures covered in the book include those of the famous Blackbeard and Captain Kidd, the pirate shipwreck the Whydah, and the mysterious Oak Island Money Pit. The book also looks at the motives for these searches, and the importance of responsible archaeology: were the treasure hunters driven by personal greed or glory, or did they embark on their quest with a historical interest and a desire to preserve the lost treasures?
