Visible Deeds Of Music: Art And Music From Wagner To Cage

Synopsis

This provocative book explores the cross-fertilization between music and the visual arts in the late nineteenth and twentieth centuries. Reassessing the work of a wide range of composers and artists including Richard Wagner, Pablo Picasso, Paul Klee, and John Cage, Simon Shaw-Miller demonstrates how the boundaries between art and music were permeable at this time, enabling each to enrich the other.

Customer Reviews

Musicians and artists for whom the interdisciplinary quest has temporarily foundered will find this book both enlightening and revitalizing. -- (Choice) --This text refers to an out of print or unavailable edition of this title.

"A consistently stimulating account of musical-visual relations in the twentieth century. This is a significant piece of scholarship that will attract a solid readership among art historians as well as music scholars."—Richard Leppert, author of *The Sight of Sound* --This text refers to an out of print or unavailable edition of this title.
