Dictionary For Theological Interpretation Of The Bible

Synopsis

For the pastor or serious layperson, the realm of biblical interpretation can be a confusing maze of personalities, communities, methods, and theories. This maze can often result in obscuring the main goal of interpreting Scripture: hearing and knowing God better. The Dictionary for Theological Interpretation of the Bible is a groundbreaking reference tool that introduces readers to key names, theories, and concepts in the field of biblical interpretation. It discusses these approaches and evaluates their helpfulness in enabling Christians to hear what God is saying to the church through Scripture. The contributors come from a variety of backgrounds, and the dictionary covers a broad range of topics with both clarity and depth.

Book Information

Hardcover: 896 pages

Publisher: Baker Academic; Edition Unstated edition (November 1, 2005)

Language: English

ISBN-10: 0801026946

ISBN-13: 978-0801026942

Customer Reviews

Kevin J. Vanhoozer (Ph.D., University of Cambridge) is research professor of systematic theology at Trinity Evangelical Divinity School. He is the author of several books, including *Is There a Meaning in This Text?* Craig G. Bartholomew (Ph.D., University of Bristol) holds the H. Evan Runner Chair in Philosophy at Redeemer University College in Ontario. He is the coauthor of *The Drama of Scripture*. Daniel J. Treier (Ph.D., Trinity Evangelical Divinity School) is Blanchard Professor of Theology at Wheaton College. N. T. Wright (D.Phil., University of Oxford) is bishop of Durham and author of over forty books, including *Jesus and the Victory of God*, *The Resurrection of the Son of God*, and a popular series of guides to the New Testament.

There are several Christian dictionaries on the market today, but nothing compares to this new resource overseen by evangelical scholar Kevin Vanhoozer. This book works just like any other dictionary, yet it updates biblical definitions with extensive academic research in a concise manner. The dictionary provides definitions of hermeneutical methods, theological themes, doctrinal terms, historical criticism, and biblical explanations of each Bible book. I highly recommend this outstanding resource for every library. Get this book!

Wonderful book! It is everything it is supposed to be.

This has been an excellent resource for my biblical studies. Perfect for when I need quick access to a topic without having to search through several different useless 'hits' on the Internet.

Great book! Helps develop sound Theology on truths found in the scripture.

This is a great resource! With the ever changing language and classifications of different theological approaches, this resource does a great job of defining both past and modern trends in interpreting Scripture.

This is a great resource for any person who wants to dig deeper into theology. It is informative and has great insight.

This is an amazing asset to my classes

Item as described and arrived in a timely manner. Thanks!
