Customer Reviews

National Geographic provides exciting and engaging nonfiction.

My 3.5 year old son loves anything to do with the farm. He needs help with getting the stickers on the correct pages, but likes to play with this book. Fun activities.

My grandkids love these National Geographic kids sticker books!

AAA+++

Bright, colorful with lots of stickers.

For my Grandson!

These National Geographic sticker books are fantastic. Perfect for a 3 year old (with help from mom and dad) who loves to learn about animals. We love to use them as a 15 minute learning activity to do together with our son. We have loved their easy directions on each page, the facts about each animal, and the corresponding activities that go with each section. I started with this particular farm book and have now collected all in the series. Great great learning tool and fun activity for kids!

We are a big fan of the National Geographic Kids Sticker Books. My 3 year old son really loves them. They are a bit challenging for him and does need some help. Lots of learning fun.
