Product Dimensions: 0.8 x 5.8 x 8.8 inches

Shipping Weight: 12.8 ounces

Average Customer Review: 3.9 out of 5 stars 5 customer reviews

Best Sellers Rank: #3,339,104 in Books (See Top 100 in Books) #68 in [Books > Travel > United States > Wyoming > General](#) #77 in [Books > Travel > United States > Montana](#) #4020 in [Books > Travel > United States > West > Mountain](#)

Customer Reviews

Great book! Gave common sense type stuff.

excellent

As reviewer Joe Pickett said, this book is well-written and enjoyable. My personal preference is for single state travel books, because they are more exhaustive in their coverage, and thus more useful when traveling. The reason for this review is my amusement at finding an earlier review of this book from 2000 written by Joe Pickett. Joe Pickett is the name of the fictional hero of author C.J. Box's excellent mystery series set in Wyoming, and these books started appearing in 2001, after this review, with the award winning Open Season. I love these books, a perfect blend of mystery and western. So what say you, Mr. Box? Did you write the 2000 review for this book? I also can't help but wonder if C.J. Box is your real name. Perhaps you are a relative of Edgar Box, Gore Vidal's famous pseudonym.

This book is not exhaustive...and isn't intended to be. It's the lowdown on the best places to go and stay and visit. It's written in a breezy, informed style that is fun to read and, from what I can tell, extremely accurate. Judging from the places I've been able to visit recently (Jackson Hole, Bozeman, Yellowstone) the author is right on. I'd recommend this book highly to anyone traveling into this region.

Trying to pack 3 states of immense geography into 272 pages? I'm sorry, but I didn't find any real substance here. Most of the info is sketchy and seems very limited. It only seems to scratch the surface. Pick a state and stick to it.
