Dr. James H. Ritchie, Jr., a clergy member of the Western Pennsylvania Annual Conference. A native of Pittsburgh, PA Jim received his B.A. from Mount Union College in Alliance, Ohio; his M.Div. from United Theological Seminary in Dayton, Ohio; and his Ed.D. in religious education from Vanderbilt University in Nashville, Tennessee. Jim is a consultant and is called upon regularly to lead inter-generational experiences and to teach in various settings on the subjects of children and worship, music and education, curriculum and human sexuality education for children.

There is some useful material in the curriculum, but not much. It seems outdated. There are songs with it that seem like they are designed for preschoolers - It would never work with preteens. I regret

buying it.

This is excellent. My OB/GYN husband looked through it and was impressed with the informative ways it handled the subject. Definitely from a Godly perspective, with a lot of science and objective thought interjected.

This is a well written very informative book to use for purity education.
