Rachel Maddow: Primetime Political Commentator (Famous Glt Americans)

Synopsis

AIDS activist by day and TV pundit by night, Rachel Maddow has dedicated her life to discussing the issues important to her. Pairing a winning personality with a sharp grasp of current events, she has won the respect and admiration of fans and critics alike. From her early interest in the AIDS epidemic to grappling with coming out to her conservative family to becoming one of MSNBC's most popular hosts, her remarkable journey to celebrity and activism is chronicled within these pages.

Age Range: 12 - 17 years

Grade Level: 7 - 12

Customer Reviews

A nice easy read that gave me some new insights about Dr. Maddow. She is a rising super-star whose talents far exceed those of most of her peers. You will be disappointed if you want lots of biographical information. It's a skinny book which is surely not her full story. As her accomplishments cause her to gain even more recognition, her fan base grows, and her successes continue know no limits.

For the number of pages this book is way overpriced. I guess us customers are subsidizing the free books given to schools and libraries. Leans very heavy into Rachel's involvement with LGBT organizations. Written for a Junior High or Senior High audience. We like Rachel's show, thus the reason for the purchase, but next time we will check the library first.

I don't go to bed unless I get all the positive news from Rachel stay strong sister

Was pretty much what was expected.

Rachel Maddow is my favorite commentator on television. She is smart, often humorous, and with a creative look at what is happening on the news. I knew very little about her background until I read this book. Although it is described as "Juvenile Literature" this book does not "talk down" to the reader. It tells about Rachel's life, her coming out as gay, her suffering from cyclical depression because of a chemical imbalance, and her working to improve the lives of others. I recommend this book to anyone who wants to learn about a person who is worthy of our admiration.

Poorly written, uninteresting, targets children with perversion. Atheist un-American inspired. A bias discriminatory hatred for those not agreeing. Racist in tone. Bigoted.
