My Top Five: Oslo

Synopsis

Oslo is renowned for its history, museums, restaurants and nightlife! But with so many different monuments, historical sights, restaurants, shops bars and nightlife to see, how can you make sure that you experience the best of everything Oslo has to offer? The 'My Top Five' series gives you the background and history on a city's must-see attractions, so that you can make the most of your trip. It also includes essential information, such as opening times and location. However, each chapter gives you more than just the basics of the city's attractions, diving below the surface to lift the lid on some of the less well-known attractions, and helping you to discover the hidden Oslo. And of course, we don't fill endless pages with hard-to-read maps and difficult-to-download photos; there are five chapters of text, one on each attraction, all written by our team of experienced travel writers.
