# Critical Thinking And Communication: The Use Of Reason In Argument (7th Edition)

## Synopsis

Stresses the importance of argumentation in everyday life       Critical Thinking and Communication, 7/e, encourages students to develop skills in constructing and refuting arguments in contexts ranging from informal conversations to structured debates. The authors stress the importance of argumentation in everyday life while building student competence and critical awareness. Through exercises and examples, students learn to create arguments and develop, understand, and interpret extended cases.

## Customer Reviews

arrive on time, used it all semester

Came fast and was just what I needed.

I actually dropped this class after renting this book, but I'm reading through it for next semester.
