Customer Reviews

I recently moved to Atlanta from San Francisco, and LOVE the *Newcomers Handbook for Atlanta*. It has been an invaluable resource it's helped me find everything from a neighborhood in which to live to the local hardware store. I look something up in it everyday, and know I will continue to use it to find things long after I'm no longer a newcomer. And if I ever decide to move again, your book will be the first thing I buy for my next destination. --Courtney R. Atlanta, Georgia

I gave this to my daughter and son-in-law as they were moving to Fulton County. They said the information provided was most helpful in determining where to locate.

Much better than the NFT guide Atlanta, which was more just maps.

Very useful guide for newcomers. I especially like the history of neighborhoods; it helped us identify what part of town fit our needs and personality as a family. Thanks!
