Simply Classic Nutcracker Duets: For Late Elementary To Early Intermediate Pianists

Synopsis

This duet collection features excerpts from The Nutcracker Suite, simplified for late-elementary to early-intermediate piano students. Both Primo and Secondo parts are equal in difficulty. The eight selections included in this collection are the same as those chosen by Tchaikovsky for the orchestral suite. These arrangements truly capture the excitement and harmonic textures of the original works. Also included is a one-page story synopsis for student reference.

Customer Reviews

As a piano teacher, this book was just what I was looking for.

Simpler arrangements that younger students can play. Our studio will intermix these with more advanced arrangements to create our own "Nutcracker" presentation at our Christmas recital this year.

These duets are enchanting just like the Nutcracker story. My late elementary and early intermediate students are handling them with ease.

Great purchase! Great for teacher/student situation. Enjoy!
