La Biblia En Acci3n: La Historia Redentora De Dios

Synopsis

La Biblia en acción es la Biblia ilustrada más completa de todos los tiempos! El estilo único, cautivador y contemporáneo de los dibujos artísticos la convierte en la Biblia perfecta para la cultura visual de hoy. Más de 750 páginas a todo color en el formato de historieta gráfica presentan historias del Antiguo y del Nuevo Testamento que aparecen en orden cronológico, comenzando con la Creación y terminando con una invitación a abrirle la puerta a Jesús mientras Él llama (Apocalipsis 3). The Action Bible is the most complete picture Bible ever! The unique, captivating, and contemporary artwork style makes it the perfect Bible for today's visually focused culture. Over 750 pages in a colorful comic book format feature stories from the Old and New Testaments that appear in chronological order, beginning with Creation and ending with an invitation to open the door for Jesus as He stands and knocks (Revelation 3).

This is proving to be a great way to improve my Spanish. I read a chapter a day in Spanish, then compare it with the English version, which I also have in both printed and Kindle versions. Also, my 7 year old grandson is absolutely hooked on the English version. He's been reading it daily all year, and has been all the way through several times. I too have read it all the way through in English, and am very impressed at the depth of thought involved in both the English and Spanish versions.

I grew up on the old edition and learned my chronological understanding from the Bible through it. I actually was given sections of this when I was a kid in Sunday School. Now, this new edition even more complete. There are a lot of new stories included to complete the Bible history. So thankful that a section on the book of Revelation was added...and it gives it a fair treatment and doesn't interpret it according to its publisher's reformed understanding of the book. It just tells it as it is and let each interpret the book according to each one's understanding. Nice! The artwork is really nice! I bought one in English and in Spanish and by 13-year-old kids spend hours reading it. They had left the old version aside, but with this one their interest has been renewed--it's just that DC Comics and Marvel look that does it! But I have shown it to some elderly people and they just look and look and look at it! Great job! The hardcover sewn book will last a long time. And thanks for putting it into Spanish too! If only the price were like the book in English! Then it would be out of this world!

Excelente herramienta para atraer el interés de un niño, joven o adulto que no le atraiga la lectura. Una manera fácil y divertida de acercarse a la Biblia

My 9 year old son couldn't put it down. Didn't put it away until he read the whole thing! Amazing! Bought the English version for his brother and he also loved it.

What a neat surprise! I bought this for a relative who is a youth pastor in Monterrey, Mexico. He is delighted to have this "Action Bible" in Spanish because he says it "brings to life" key Bible teachings in an understandable modern Spanish. He plans to use it as a teaching aid. The illustrations are remarkable!

The best part of this book, it has used Manga to translate the bible and its principles, that all the 13 years and some adults in the church in El Salvador would like a copy too. They said the children sit there very bored when talking about the god and its principles, but this brings life into the message, and they all wanted their very own. This is well worth it!!!

Very easy to read for my 9 years old and he has learned a lot! Highly recommend.

Una de las mejores Biblias ilustradas para chicos. La aman.
