What's So Amazing About Grace? Participant's Guide

Synopsis

In 1998, *What's So Amazing About Grace?* was chosen as the Gold Medallion Book of the Year. Stamped with Philip Yancey's journalistic gift for inquiry and personal passion for truth, this provocative best-seller has challenged and inspired more than half a million readers worldwide with a vision of the life you can experience the impact of grace. It's one thing to talk about grace; it's another to taste its power. *What's So Amazing About Grace?* ZondervanGroupware takes you and your study group for interactive, gut-level encounters with radical, life-changing grace. Through candid video interviews, Philip Yancey integrates true-life faces and experiences with 10 POWERFUL SESSIONS that will rock your preconceptions, get you thinking and talking, and help you discover together why grace is more amazing than you've ever dreamed. This Participant's Guide will help you not only gain a better understanding of what grace is and why it is so precious, but also integrate it into your life. Engaging questions, provocative Bible studies, and lively discussions are just part of the package. You'll also be challenged to look for grace where it counts the most: in your own character and personal life. If you're ready to discover grace as more than just a fluffy concept, buckle your seat belt. You're about to take a journey to the radical heart and soul of Christianity. The next life grace changes could be yours.

Customer Reviews

Philip Yancey serves as editor at Large for Christianity Today magazine. His books *The Jesus I Never Knew* and *What's So Amazing About Grace?* were national best-sellers appearing on both the Publisher's Weekly and ECPA lists. Both books also won the Gold Medallion Book of the Year Award. Yancey has written eight Gold Medallion Award-winning books, including *Where Is God When it Hurts?* *Disappointment with God*, and *The Gift of Pain*. He co-edited *The Student Bible*, which also won a Gold Medallion Award. He and his wife live in Colorado.

The series is ok, but repetitive. I find it frustrating to have to purchase this guide because the guide that comes with the video is not extensive enough for group study. I think there might be another book, too. My group grew tired of the series after about 4 sessions. I purchased the book, too.

Possibly the most powerful, sensible book on grace and forgiveness I've read. In a series of real-life stories, Philip Yancy explores what grace can do for not only the perpetrator but those who feel or are in a very real sense victims of slights to horrific wrongs. It will challenge you to reach into your memory bank and forgive old grudges, debts, and violations. A must-read for anyone.

This study book asks questions, gives examples, helps individuals delve into their own minds and

thoughts, with pages to follow. I haven't seen the videos for this study, but they sound wonderful. We are presently using this study book with a class of about 16, and our discussions are sometimes, so stirring.

The book What's so Amazing about Grace was great but I was very disappointed in the Participant's Guide. The applications were very graphic and not ones that the average person would ever imagine. The participant questions were dull. I am half way through leading this study and am perplexed on what to do. I may suggest we stop and start a new study.

Reviews of this book can only validate in today's society what has been well-known for years - This book is simply wonderful at identifying how critical - and how amazing - grace is for all of us. I truly believe that it would be extremely helpful for non-Christians to read, to gain a clear explanation for what drives Christian believers' faith. Read at the risk of your own beliefs! Oh, that everyone could understand "grace," particularly in this social environment of "justice" and "entitlement."

I'm currently using this book in a book study group. We are reading the book, using the study guide and also the video that goes along with the study. The whole concept of extending grace to others because we've experienced God's grace is powerful and life changing.

Used for our bible study and it was well received

A Great book that clearly talks about God's grace (His underserved love). Philip Yancey is a very good communicator and the book does an excellent job of helping facilitate a small group discussion.
